Our Office Policy Regarding Patient Financial Responsibility

We are committed to providing you with the best possible medical care, regardless of whether or not you have health insurance. In order to achieve this goal, we need your assistance and your understanding of our financial policy.

Payment for services is due at the time services are rendered, unless we participate with your insurance. As a courtesy, we will bill to insurances with which we are a participating provider on the patient's behalf. Your co-pay, any deductible, or any amount not covered by your insurance is due at the time of your visit. All cosmetic procedure and consultation fees must be paid in full before the procedure or consult is performed. The fees that we charge are within the usual range for our area and specialty.

If Appalachian Spring Dermatology does not receive payment from your insurance company within ninety days, you will be responsible for the entire outstanding unpaid balance regardless of the reason for the denial.

If we are not a participating provider with your insurance or if you do not have insurance, you will be expected to pay the entire fee, in full, at the time of the visit. If we do not participate with your insurance, we can provide you with information for you to submit to your insurance carrier. Depending on the type of plan you have, you may be reimbursed directly. Please consult with your insurance carrier.

Prior to seeing Dr. Rosenberger, a staff member may call you to discuss the costs involved in your visit/procedure(s) and review your financial responsibility. We will gladly discuss any questions you have regarding our billing and your insurance. However, you must realize that your insurance is a contract between you, your employer, and the insurance company. It is your full responsibility to know the rules and regulations of your insurance carrier and operate within your insurance carrier's benefit guidelines. It is also your responsibility to seek medical care with physicians participating in your plan when possible. You are ultimately responsible for your bill, for deductibles, co-pays and services not covered by your insurance. If your insurance requires a deductible to be met, it is your responsibility to know what that deductible is and provide documentation if you have already met your deductible. Remember that insurance may not cover all fees. To be fully aware of your benefit limitations, please read your insurance policy thoroughly or talk with your insurance representative prior to your visit.

Please sign to acknowledge that you have been advised of your financial responsibility.

Medicare Patients: We bill Medicare directly for you. However, you are responsible for charges applied to your deductible, any co-insurance, or charges not covered by Medicare. Some Medicare secondary insurances are known as Medigap policies, for these policies Medicare automatically forwards your claim to your secondary insurance carrier if they have a contract with the carrier. This is known as a “crossover” or “medigap”. Some newer policies such as Humana combine PEIA and Medicare. These newer policies have a copay unlike the traditional medicare plans. Your copay can vary with the amount and types of procedures done.

Participating Insurance: Appalachian Spring Dermatology is a participating provider for a variety of commercial insurance carriers (See Attached List) and we bill them directly as a courtesy to you. Prior to your visit, you will be informed whether or not we are a provider for your insurance plan. We accept payment for covered services from these insurance plans in accordance with our contracts. You are responsible for applicable co-insurance and deductible amounts as well as payment for services that are not covered by insurance such as cosmetic procedures. **We currently do not participate with Medicaid.** We are currently a participating provider with the following insurance companies as well as many others: 4 Most, Acordia/PEIA, , Aetna, Blue Cross/Blue Shield, Carelink/Coventry, Choice Care Network (CCN), Cigna, Direct Care of America, First Health, Health Care Coalition Partners, Health Plan, Humana, Medicare, Multiplan, National Capitol PPO, Private Health Care Systems (PCHS), Tricare and United. **If you do not see your plan listed here, please call us about this prior to your visit.**

Non-participating Insurance: If we are not a provider for your insurance carrier and you wish to see Dr. Rosenberger, you are responsible for payment of all charges at the time of service. You are then responsible for submitting the claim to your insurance company for reimbursement.

Uninsured: All charges are to be paid in full at the time of service.

Labs and Biopsies: In addition to our fees, you will receive a separate bill for lab processing and reading your biopsy. Our office will provide the lab with your insurance information on your behalf. Some insurance plans require biopsies and lab specimens to be sent to specific labs. Please call your insurance company to determine which lab your specimen needs to go to prior to your appointment.

Cancellation Policy: We require at least 24 hours notice for cancellations. If you do not come to your scheduled appointment or you cancel with less than 24 hours notice, you may be charged a \$25 cancellation fee. You may be required to pay the \$25 cancellation fee prior to scheduling another appointment.

We accept check, cash, Visa, MasterCard, Discover and American Express.
