

We originally had not planned to have an Open House this Spring due to the anticipated arrival of Baby Rosenberger in March. However, we are planning a special event at the office on March 29, 2010.

On March 29th we will have a MINI OPEN HOUSE at the office from 10AM until 4PM. We will have the following exciting events...

- Register for Allergan Brilliant Rewards for future savings and rewards with Allergan products – BOTOX, Juvederm and Latisse.
- Discount on OBAGI products and Latisse.
- Talk with the OBAGI representative.
- Refreshments, door prizes and MORE....

If you have any questions, call the office at 304 368 0111.
