

## **WE ARE MOVING!**

We plan to move to our new office located at 1812 Country Club Road in Fairmont in mid October. Please check the website prior to any appointments this fall for directions to our new location.

## **FILLER PRICE INCREASE**

Due to an increase in price from our suppliers and our suppliers now charging sales tax on these products, we will increase the price of all of our fillers this fall.

**Beginning October 1<sup>st</sup>, the price of Restylane, Perlane and Juvederm will increase from 495 to 550.**

Don't wait until the last minute to call and schedule an appointment prior to the price increase. We are already very booked in September. If you call to make a new appointment for filler you may have to be placed on a cancellation list. Please be understanding and patient with my staff.

## **FILLERS NOW AVAILABLE WITH NUMBING MEDICINE**

Good news! Restylane, Perlane and Juvederm now come with numbing medicine, lidocaine, in them. While this does not make this procedure painless, it certainly does help!

## **JUVEDERM AND VIVITE LIP PLUMPER SPECIAL**

If you have a Juvederm filler treatment now until September 30, you are eligible to receive a free Vivite lip plumper from Allergan.

## **SUNFADER FREE WITH OBAGI PURCHASE**

Have you accumulated a few brown spots this winter. Starting August 15, receive a free Sunfader Rx cream from Obagi (a \$70 value) with each Obagi purchase of \$150 or more. This offer is while supplies last. Sunfader contains prescription strength bleaching cream and SPF 12.
